SUMMARY

Marketing, operations, and strategy leader with 15+ years building and scaling early-stage companies — from brand positioning and demand-generation campaigns to CRM/marketing-ops infrastructure to hands-on team and inventory management. MBA-trained in strategy and finance, with current founding-team experience as a technical advisor at an early-stage startup. A parallel career as a PMBIA-certified coach and community organizer brings a genuine, on-the-ground feel for building brand loyalty around fitness and movement.

SKILLS

Marketing & Brand: Brand strategy & positioning, demand generation, persona-driven campaigns, marketing automation (Salesforce Einstein, Marketing Cloud), lifecycle/email marketing, community & event marketing

Operations: CRM & data infrastructure, process automation, inventory & vendor management, team hiring & management, cross-functional delivery

Strategy: Go-to-market planning, business planning & financial modeling, competitive positioning, early-stage/founding-team experience

PROFESSIONAL EXPERIENCE

Founding Technical Advisor — Upstream AI 2026 – Present

- Part-time founding advisor for an early-stage startup building software for small water utilities
- Hands-on across product strategy, go-to-market, and technical direction — the full-stack generalist role of an early cofounder

Inventory Manager — Sunlight Ski & Bike, Glenwood Springs, CO 2025 – Present

- Manage inventory, vendor relationships, and pricing strategy for a local retail brand
- Organize community events — group rides and women's bike mechanical classes — that build brand loyalty and drive foot traffic

Sr. Technical Consultant — Lytics 2022 – 2023

- Delivered enterprise customer-data-platform implementations, including a Whirlpool engagement translating tens of millions of records into a usable customer identity model

Marketing Automation Manager — Zayo Group 2022

- Owned Salesforce marketing operations (Einstein, Marketing Cloud), lead scoring, and process automation
- Helped lift lead conversion 15% by connecting marketing systems directly to sales outcomes

Head of Marketing Technology — Teren (formerly Solspec) 2018 – 2021

- Built persona-driven marketing campaigns and brand positioning that quadrupled qualified leads
- Partnered cross-functionally across engineering, product, and sales at a seed-stage startup

Solutions Engineering Manager — Homebot 2015 – 2018

- Built the email marketing product that drove millions of homeowners to open and act on communications
- Hired, managed, and trained the Solutions Engineering team

Frontend Developer, Digital Maps Team — National Park Service 2012 – 2015

- Built custom dashboards and web-mapping tools; cartography work became NPS Park Tiles, the official basemap for park websites

COMMUNITY & BRAND LEADERSHIP

PMBIA-Certified Mountain Bike Coach — Independent 2023 – Present

- Built and grew a recurring client base through women's skills clinics, private coaching, and youth programs
- Hands-on brand-building through community trust — the same grassroots loyalty a fitness brand depends on

EDUCATION

MBA — Quantic School of Business and Technology 2021

BA, Geography (GIS), Honors — Colgate University 2011

Data Science / ML Certificate — Springboard 2024
