SUMMARY

Development Coordinator candidate with 15+ years building CRM systems, customer/donor databases, and marketing communications — including hands-on Salesforce experience (Einstein, Marketing Cloud) at Zayo Group — plus a parallel lifelong career in outdoor education and land stewardship: trail maintenance, whitewater canoeing and backpacking instruction, and PMBIA-certified mountain bike coaching. Nonprofit and conservation roots include the Humanitarian OpenStreetMap Team, Cadasta, the Bonobo Conservation Initiative, and HMI's summer gap program. Based in Boulder, CO, with deep ties to the Roaring Fork Valley and ready to relocate.

SKILLS

CRM & Database: Salesforce (Einstein, Marketing Cloud), CRM architecture, data cleaning & standardization, customer/donor segmentation
Reporting & Analytics: Excel, Google Workspace, SQL, dashboards, executive & board-level reporting
Communications: Email campaigns, newsletters, marketing copy, website content, direct-mail-style appeals
Events & Volunteers: Recruiting, training, and supervising volunteers; event logistics and coordination
Outdoor & Stewardship: Trail maintenance, whitewater canoeing & backpacking instruction, mountain bike coaching, Wilderness First Aid + CPR

PROFESSIONAL EXPERIENCE

Retail Business Analyst — *Sunlight Ski & Bike, Glenwood Springs, CO* 2023 – Present

- Partnered with ownership to clean and standardize thousands of inconsistent customer and product records
- Built reporting on inventory and pricing to support marketing and business decisions
- Organized community events, including group rides and women's bike mechanical classes

Founding Technical Advisor — *Upstream AI* 2024 – Present

- Part-time advisory role building software for small drinking-water and wastewater utilities

Sr. Technical Consultant — *Lytics* 2022 – 2023

- Built customer-data segments and delivery pipelines for enterprise clients
- Led a Whirlpool engagement translating tens of millions of relational records into a usable identity model

Marketing Automation Manager — *Zayo Group* 2022

- Managed CRM and marketing automation in Salesforce, including Einstein and Marketing Cloud
- Built lead scoring and process automation that helped lift lead conversion 15%

Head of Marketing Technology — *Teren (formerly Solspec)* 2018 – 2021

- Built persona-driven marketing campaigns that quadrupled qualified leads
- Worked cross-functionally across engineering, product, and sales

Solutions Engineering Manager — *Homebot* 2015 – 2018

- Designed the data schema for ingesting a messy real-estate dataset
- Built the email product that drove millions of homeowners to open and act on mortgage communications
- Hired, managed, and trained the Solutions Engineering team

Frontend Developer, Digital Maps Team — *National Park Service* 2012 – 2015

- Built custom dashboards and web-mapping tools for NPS staff
- Cartography work became NPS Park Tiles, the official basemap for park websites

VOLUNTEER & OUTDOOR LEADERSHIP

PMBIA-Certified Mountain Bike Coach — *Independent* 2023 – Present

- Recruit, train, and coach riders through recurring group clinics every season
- Certified at Whistler, BC; also hold Wilderness First Aid and CPR certification

Outdoor Education Instructor — *Colgate University* College era

- Taught whitewater canoeing, backpacking, and trail maintenance
- Spent summers on trail crews in the White Mountains

HMI Summer Gap Trip — *San Juan Mountains, CO* College era

Volunteer / Intern — *Humanitarian OpenStreetMap Team, Cadasta, Bonobo Conservation Initiative* College era

- Supported humanitarian mapping, land-rights documentation, and wildlife conservation work

EDUCATION

BA, Geography (GIS), Honors — *Colgate University* 2011
Honors thesis: 180-page spatial-statistics study of 1,650 WWOOF host farms.

MBA — *Quantic School of Business and Technology* 2021

Data Science / ML Certificate — *Springboard* 2024
