

Katrina Engelsted

ADVENTURE GEAR & E-COMMERCE SPECIALIST CANDIDATE · NATURAL HABITAT ADVENTURES

Boulder, CO (minutes from Louisville) · katrina@engelsted.co · 774-239-8699 · [linkedin.com/in/katrinae](https://www.linkedin.com/in/katrinae)

SUMMARY

Adventure Gear & E-Commerce Specialist candidate with 15+ years of e-commerce, reporting, and vendor operations experience — from managing inventory and vendor relationships at an outdoor-gear retail shop to building the data and marketing infrastructure behind e-commerce and CRM platforms at Lytics, Zayo, and Homebot. A lifelong outdoor-gear person, not a new one: PMBIA-certified mountain bike coach, Colgate Outdoor Education instructor, and a High Mountain Institute semester that started it all. Based minutes from Louisville, Colorado, with a genuine commitment to the sustainability values behind Nat Hab's mission.

SKILLS

E-Commerce & Ops:	E-commerce platform management & troubleshooting, online store development & maintenance, vendor coordination, purchasing & procurement, inventory management
Analytics & Reporting:	Advanced Microsoft Excel, sales/inventory/cost reporting, data-driven forecasting & budget analysis, dashboards, SQL
Project & Vendor Management:	Cross-functional project coordination, vendor & stakeholder relationships, process improvement, fast adoption of new technology platforms
Outdoor Gear & Community:	PMBIA-certified mountain bike coaching, outdoor-gear retail experience, trail/backcountry instruction, sustainability-minded purchasing

SELECTED OUTCOMES

Thousands of records cleaned:	Customer & product data overhaul, Sunlight Ski & Bike
+15% lead conversion:	Marketing automation & reporting, Zayo Group
Millions of touchpoints:	Email & data infrastructure, Homebot

OUTDOOR GEAR & COMMUNITY LEADERSHIP

PMBIA-Certified Mountain Bike Coach — <i>Independent</i>	2023 – Present
- Recruit, train, and coach riders through recurring group clinics — deep, hands-on familiarity with gear fit, function, and maintenance - Certified at Whistler, BC; also hold Wilderness First Aid and CPR certification	
Outdoor Education Instructor — <i>Colgate University</i>	College era
Taught whitewater canoeing, backpacking, and trail maintenance; managed group gear and equipment logistics	
Semester Student — <i>High Mountain Institute (HMI)</i>	Junior year, high school
Semester program in wilderness leadership, backcountry travel, and environmental studies	

PROFESSIONAL EXPERIENCE

Business Analyst — <i>Sunlight Ski & Bike, Glenwood Springs, CO</i>	2025 – May 2025
- Managed inventory, vendor relationships, and pricing for an outdoor-gear retail business - Cleaned and standardized thousands of inconsistent customer and product records to support reporting and purchasing decisions - Organized community events — group rides and women's bike mechanical classes — that built brand loyalty and drove foot traffic	
Founding Technical Advisor — <i>Upstream AI</i>	2026 – Present
Part-time founding advisor for a sustainability-focused startup building software for small water utilities	
Sr. Technical Consultant — <i>Lytics</i>	2022 – 2023
- Built customer-data segments and delivery pipelines for enterprise e-commerce and marketing clients - Led a Whirlpool engagement translating tens of millions of relational records into a usable identity model	
Marketing Automation Manager — <i>Zayo Group</i>	2022
- Owned the Salesforce marketing stack (Einstein, Marketing Cloud), lead scoring, and process automation - Built reporting that helped lift lead conversion 15%	
Head of Marketing Technology — <i>Teren (formerly Solspec)</i>	2018 – 2021
- Managed cross-functional projects and vendor/partner relationships across engineering, product, and sales - Built persona-driven campaigns that quadrupled qualified leads	
Solutions Engineering Manager — <i>Homebot</i>	2015 – 2018
- Designed the data schema for a messy real-estate dataset and built the email product driving millions of homeowner interactions - Hired, managed, and trained the Solutions Engineering team	
Frontend Developer, Digital Maps Team — <i>National Park Service</i>	2012 – 2015
Built dashboards and web-mapping tools for NPS staff; cartography work became NPS Park Tiles	

EDUCATION

BA, Geography (GIS), Honors — <i>Colgate University</i>	2011
MBA — <i>Quantic School of Business and Technology</i>	2021
Data Science / ML Certificate — <i>Springboard</i>	2024
